Resources of Virginia

SOLs: 2.8, 2.1f, 2.1g, 2.2, 2.1c

The Resources of Virginia Crate is a large plastic tub that includes everything that a teacher would need for the lesson plans within. Also included is a USB drive with additional digital information.

The bound copy of the lesson plan for this unit includes instructions for assessments and information about supplemental activities. Each lesson plan tote from the DMFAH also includes 3-4 related children's books.

Included materials: construction paper, index cards and colored pencils.

Also within the tote are supplemental activities and the necessary materials for those activities.
