

**The 5X Walk-thru Music Event** offers an opportunity for five local performers to play inside the 500 Block Craghead Gallery while those passing by, or through the gallery can enjoy a 5-part series of small musical engagements in the River District. This is a chance to enjoy a live performance and an exhibition while distanced. This is also a great opportunity for young Danville Musicians to test-drive a performance venue while building their portfolio and live audience experience. During COVID19 there is a limit of five people in a walk-through audience group.

If you would like to be considered for one of the four remaining events for 2021, or possible other venues in the future, please fill out the information below and we will be in touch with you regarding an interview and audition.
